

Dear Parents/Carers

We are writing to let you know that OWN Trust is moving to Facebook as its new social media platform. This means that Woodston Primary School will have a new Facebook page. The changes are due to take place on Monday 22nd April 2024.

Our new Facebook page will enable us to maintain a regular, consistent, informative, and friendly social media presence that celebrates the life of the school to parents and the wider community.

The reason for using Facebook is because, in last year's OWN Trust Parent Survey about communications, parents identified Facebook as one of their preferred social media platforms.

Whilst the Facebook page is being set up, you can still follow all our latest news in the usual places, including on the website ([Latest News - Woodston Primary School](#)) and newsletters ([Letters sent Home - Woodston Primary School](#)).

We will be in touch after Easter with more details about the Facebook launch. We hope that you will enjoy following us on our Facebook page when it is launched on Monday 22nd April.

Kind regards,

Mrs Becky Ford

Headteacher
