Design an icon or symbol for one of our school values and you could win a prize!

To celebrate our new school values, we are inviting you to design icons or symbols. We need a different design for each value, but you can choose which values you would like to submit designs for. You don't need to do all four. You might have a brilliant idea for just one or two.

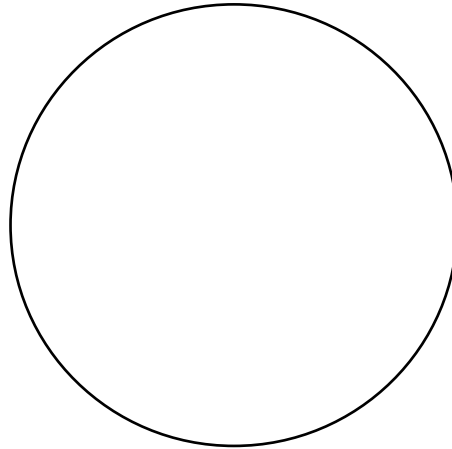

To submit your entries please draw and colour them on this sheet, and hand in to Mrs Ford by **Friday 24th May**. Remember to write your name at the top.

The winning designs will be announced in the assemblies on **Monday 3rd June** and will then be produced digitally. These digital icons will be used on documents, posters and signs across school. A reminder of each value is shown below. Happy designing and good luck!
