

L.I. To visualise. To use descriptive phrases.

Imagine that you are one of the boys in the story who now has wings instead of arms!

Watch the video clip below and whilst you are watching, think about how it makes you feel.

Imagine that you are a bird flying over these beautiful sights.

What does it feel like to fly?

Think of phrases to describe what you can do, see, hear and feel e.g. soaring above the rooftops like an aeroplane gliding through the clouds, fields like a patchwork quilt below, swooping with joy.

Now arrange your phrases to make a verse of a descriptive poem.
