

Year 2 Home learning w/c 18.05.20

<p style="text-align: center;">Maths</p> <p style="text-align: center;">(revision: multiplication and division)</p>	<p>Practise counting in 2s, 5s, 10s and 3s.</p> <p style="text-align: center;"><i>There are lots of songs on YouTube that you could sing along to!</i></p>	<p>Practise your 2, 5 and 10 times tables and division facts.</p> <p style="text-align: center;"><i>If you are really confident with 2, 5 and 10, you could move on to 3, 4 and 6.</i></p>	<p>Find some objects in your house or outside. Can you put them into equal groups of 2, 5 and 10 and count them?</p> <p style="text-align: center;">Now can you put them together and see how many different ways you can equally share them?</p>	<p>Can you make up some word problems involving multiplication? e.g. there are 6 pencils pots, each holding 10 pencils. How many pencils are there altogether?</p> <p style="text-align: center;"><i>You could ask a member of your family to answer them.</i></p>	<p>Can you make up some word problems involving division? e.g. Sarah shared 16 pencils between her and her friend. How many did they get each?</p> <p style="text-align: center;"><i>You could ask a member of your family to answer them.</i></p>
<p style="text-align: center;">English</p>	<p style="text-align: center;">Power of Reading: Lesson 13</p> <p style="text-align: center;">L.I: To ask questions. (on website)</p>	<p style="text-align: center;">Power of Reading: Lesson 14</p> <p style="text-align: center;">L.I: To retell a story. (on website)</p>	<p style="text-align: center;">Power of Reading: Lesson 15</p> <p style="text-align: center;">L.I: To present an argument. (on website)</p>	<p style="text-align: center;">Reading:</p> <p>Can you read something that isn't a book?</p> <p style="text-align: center;"><i>It could be a recipe, a leaflet, a comic strip, street signs, an email that a family member has sent you etc.</i></p>	<p style="text-align: center;">Reading:</p> <p>Choose 2 books that you have read. Discuss the similarities and differences between them.</p> <p>E.g. they both have animals in them. One is set in the forest and the other under the sea.</p>
<p style="text-align: center;">Creative</p>	<p>Can you make a collage of an animal using different resources?</p> <p style="text-align: center;"><i>You can use anything you like. E.g. tissue paper, felt tips, colouring pencils, paint, you could even stick on leaves or twigs.</i></p>	<p>Make a list of things that make you happy.</p> <p style="text-align: center;"><i>E.g. My nephew and niece Enjoying the lovely weather Having an ice lolly Watching a funny film</i></p>	<p>Learn all the words to a new song.</p> <p style="text-align: center;"><i>Can you perform it? You could even make up a dance?</i></p>	<p>Build a den in your house!</p> <p style="text-align: center;"><i>You can sit in there reading a book or having a picnic with your family.</i></p>	<p>Give yourself little fitness challenges. E.g. how many star jumps can you do in 1 minute?</p> <p style="text-align: center;"><i>Can you beat your first attempt?</i></p>
