

The Woodston Golden Rules for Keeping Safe

Keep a safe distance from others whenever possible.

Wash your hands:

- When you enter your classroom
- after going to the toilet
- if you sneeze or cough
- after lunchtime and break time.

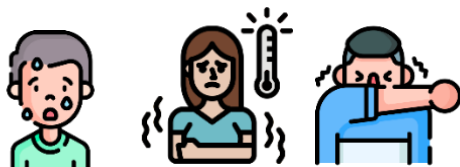

Do not wander around the school.

Do not touch other people.

If you feel poorly, tell an adult straight away.

Avoid touching your face with your hands.

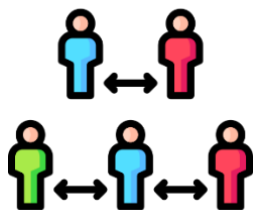

Stay on the left side of the corridors.

Walk a safe distance behind the person in front of you.

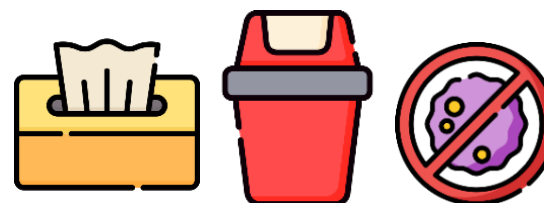

Keep a safe distance from others when lining up.

Only use the equipment on your desk or other equipment you have been given permission by an adult to use.

Remember to 'catch it, bin it, kill it'.

Stay in your bubble.
