

Extra Ideas – Year 3

Education City has lots of valuable resources for English, Maths, Science and Computing. We would recommend using this website, if you have access to the internet, to support your child in these subject areas.

<p>Create a fact file all about plants. Can you identify the different parts of a plant (roots, stem, leaves & flowers) and explain what a plant needs to grow.</p>	<p>Research which plants we grow in this country to eat. Make a list of them. Create a table of your findings.</p>	<p>Create a non-chronological report about magnets. Include an introduction all about what you know about magnets. Think about how magnets attract or repel each other and attract some materials, but not others.</p>	<p>Get comfortable on the sofa and watch a movie with your family.</p>
<p>Can you draw a map of your local area? Think carefully about what is around where you live (buildings, places of worship, restaurants etc).</p>	<p>Design a healthy meal for your family. Can you explain why this is nutritious and healthy?</p>	<p>Research a great artist or sculptor of your choice. Can you recreate one of their famous pieces of work?</p>	<p>Find a 'Just Dance for kids' video on YouTube and follow the dance moves.</p>
<p>Create a poster all about how to stay safe online. What are your top tips for staying safe online and how can people protect themselves?</p>	<p>Design and make a new wrapper for a chocolate bar. Can you create an advert to sell your creation? You could film or record your advert or create a poster.</p>	<p>Create your own warm up or cool down sequence for a P.E lesson.</p>	<p>Can you give as many reasons as you can as to why it is important to warm up at the start of a P.E lesson and why it is important to cool down afterwards?</p>
<p>Think of 10 acts of kindness that you can do for your family while you are off school.</p>	<p>Learn a new skill e.g. tying your shoe laces, making your own bed, knitting etc.</p>	<p>Draw a picture of your family doing your favourite activity and share it with them.</p>	<p>Make a den using cushions and blankets and spend some time reading with your family.</p>
<p>Learn the numbers 1 – 10 in a different language of your choice.</p>	<p>Write instructions for the best ways to wash your hands.</p>	<p>Write a song to make people smile. Can you perform this to your family?</p>	<p>Spend some time with your family in an electronics free afternoon.</p>
