

<p>Look out of the window each day and keep note of what you see. Draw pictures of birds, flowers, changes in the weather. Make a nature diary. Be as creative as you can.</p>	<p>Can you design and make a game or board game to play with others in your family?</p>	<p>Look out of your window and draw what you see. Think about light and textures. Use shading techniques.</p>	<p>Make a poster about adding, subtracting and multiplying fractions. What rules do we use when adding, subtracting and multiplying fractions? Include them in your poster. Be as creative as you can.</p>
<p><a href="https://www.topmarks.co.uk/maths-games/daily10">https://www.topmarks.co.uk/maths-games/daily10</a> Try one of these each day. You should choose level 3, 4, 5 and 6. Can you beat your own score?</p>	<p>Practise the next 10 spellings from the Year 5/6 Common Exception words Can you write sentences using the words? Find out the meaning of any words you don't know. You can use a dictionary, if you have one, or use an online dictionary if you can.</p>	<p>Can you design your own graffiti art poster? Will you use colours or shading?</p>	<p>Write a free verse poem about a member of your family. See if you can use metaphors, similes or onomatopoeia. Can you show their personality and physical traits in your poem?</p>
<p><a href="https://phet.colorado.edu/sims/html/fraction-matcher/latest/fraction-matcher_en.html">https://phet.colorado.edu/sims/html/fraction-matcher/latest/fraction-matcher_en.html</a> Try these fraction activities. See if you can work your way through the different levels.</p>	<p>Choose a country that is important to you and your family. Draw a map of the country labelling the capital city and any other cities where members of your family live. You could even add famous buildings or cities for people to visit. You can use google to find a map.</p>	<p>Read a chapter in your book and then summarise what you have read. You could draw a comic strip, draw a picture with speech bubbles or write about what happened in the chapter.</p>	<p><a href="https://www.topmarks.co.uk/maths-games/hit-the-button">https://www.topmarks.co.uk/maths-games/hit-the-button</a> Practise your times tables, division facts and squared numbers. Try doubles and halves too.</p>

<p>Create a poster showing everything you know about multiplication and division and the links between them. You could use pictures and diagrams. Be as creative as you can.</p>	<p><a href="https://www.bbc.co.uk/bitesize/topics/zgssgk7/articles/zwn6mnb">https://www.bbc.co.uk/bitesize/topics/zgssgk7/articles/zwn6mnb</a> Watch the clip about life cycles. We have looked at the life cycle of a frog. A frog is an amphibian. Can you find out what a mammal is? Choose a mammal and make a fact file about it. Can you draw a life cycle for your mammal? Label each stage clearly.</p>	<p>Look carefully at the picture "Summer". Using the clues in the picture, try to answer the questions. Include as much detail as you can.</p>	<p>Practise the next 10 spellings from the Year 5/6 Common Exception words. You could write sentences using the words or you could write the words out in a pattern - spirals, circles, squares...be creative and make it fun!</p>
<p>Imagine that you have been chosen to show a very important visitor around Peterborough. They have never been here before. Can you design a poster or booklet to tell them about all the places they could visit? For example, the museum, the cathedral, theatres, cinema, restaurants etc.</p>	<p><a href="https://www.topmarks.co.uk/maths-games/daily10">https://www.topmarks.co.uk/maths-games/daily10</a> Try one of these each day. You should choose level 3, 4, 5 and 6. Can you beat your own score?</p>	<p>Think about a book you have really enjoyed reading. Remember why you enjoyed it so much. Can you design a new front cover for the book? How would you make it different? Can you write a new blurb to go on the back cover?</p>	<p>Write a postcard to a friend who goes to a different school. Tell them all about Woodston Primary School. What do you like about the school? What is your favourite subject? Include as much detail as you can...try to use lots of interesting adjectives.</p>
<p><a href="https://www.topmarks.co.uk/maths-games/hit-the-button">https://www.topmarks.co.uk/maths-games/hit-the-button</a> Practise your times tables, division facts and squared numbers. Try doubles and halves too. Are you getting quicker?</p>	<p>Write a 100 word story. You must use the sentence below but you can use it anywhere in your story.  There was a sudden tapping on the window.</p>	<p>How many words can you make using the letters in the word:  another  If you find them all, there are 155!</p>	<p><a href="http://www.keystage2literacy.co.uk/countdown-letters-game.html">http://www.keystage2literacy.co.uk/countdown-letters-game.html</a> Choose Numbers and challenge yourself to make the target number! How many big numbers will you choose? Or will you use more small numbers?</p>

## Summer Sunset – Follow-Up Work

1. Where in the world could this be? What clues are there to suggest this?

2. Think of three words to describe the landscape and environment of this scene?

3. Why do you think the houses are mainly painted white?

4. What time of day do you think this is? What clues are there to suggest this?

5. How many people live here? Why do you think this?

6. How old do you think this village is? What makes you think this?

<p>Create a poster showing everything you know about using column method for addition and subtraction. What rules do we follow? Can you include them in your poster? Be as creative as you can!</p>	<p><a href="https://www.bbc.co.uk/teach/class-clips-video/science-ks2--ks3-the-life-cycles-of-different-organisms/zvh8qp3">https://www.bbc.co.uk/teach/class-clips-video/science-ks2--ks3-the-life-cycles-of-different-organisms/zvh8qp3</a> Watch the clip about life cycles. Now choose an insect and research its life cycle. How will you present your information? Poster? Book? Leaflet? Diagram?</p>	<p><a href="https://www.topmarks.co.uk/mathsgames/daily10">https://www.topmarks.co.uk/mathsgames/daily10</a> Try one of these each day. You should choose level 3, 4, 5 and 6. Can you beat your own score?</p>	<p>What makes someone a good friend? Is it someone who makes you laugh? Someone who laughs at all your jokes? Design a poster to show what a good friend should be...make it as interesting and as creative as you can.</p>
<p>Practise the next 10 spellings from the Year 5/6 Common Exception words. <a href="http://www.ictgames.com/mobilePage/lcwc/index.html">http://www.ictgames.com/mobilePage/lcwc/index.html</a> You could use the website above to help you. You could write sentences using the words or you could write the words out in a pattern - spirals, circles, squares...be creative and make it fun!</p>	<p><a href="https://www.topmarks.co.uk/timestables/coconut-multiples">https://www.topmarks.co.uk/timestables/coconut-multiples</a> Try this activity to revise your knowledge of multiples. You can start at a lower level and slowly go higher or you could challenge yourself and aim high from the start!</p>	<p>Think of a famous person you would like to meet. Write a list of twenty question you would like to ask them. Try to think of interesting questions that link to who they are, e.g. if s/he is a sports person, you could ask why they chose their particular sport.  What would be the most important question and why?</p>	<p><a href="http://www.scottle.edu.au/ec/viewing/L6187/index.html">http://www.scottle.edu.au/ec/viewing/L6187/index.html</a> This is a super way for you to improve your use of verbs and adverbs! Have a go at improving the stories by choosing more exciting verbs and adverbs.</p>
<p><a href="https://www.topmarks.co.uk/mathsgames/hit-the-button">https://www.topmarks.co.uk/mathsgames/hit-the-button</a> Practise your times tables, division facts and squared numbers. Try doubles and halves too. Are you getting quicker?</p>	<p>Read a chapter in your book and then summarise what you have read. You could draw a comic strip, draw a picture with speech bubbles or write about what happened in the chapter.</p>	<p>Don't say "said", say... How many alternatives can you think of? Can you write some sentences using some of your alternatives?</p>	<p><a href="http://www.keystage2literacy.co.uk/countdown-letters-game.html">http://www.keystage2literacy.co.uk/countdown-letters-game.html</a> Choose Letters and challenge yourself to make the longest word you can! Keep trying.</p>

Use as many wow words as you can to describe this picture.

Remember to use the five senses!
