

Children in Need – 19th November 2021

Dear Parents/Carers

BBC Children in Need Day is on Friday 19th November. This is when schools across the country join the nation to change lives of children who need us most. This year, more than ever, they need our help!

Please send your child to school wearing something **sparkly, spotty or both!**

If everyone gave a donation of £1 just think what a difference this could make!

Thank you for your continued support

Woodston Primary School
