

WOODSTON PRIMARY SCHOOL

Newsletter – 19th November 2021

School Hours

School doors open at 8.45am and close at 8.55am. Please can you ensure that your child/children are dropped off at this time so they are ready to learn. If a child comes in late they may have missed the input/start to their lesson. There are 22 school days in November, if a child is 10 minutes late a couple of times a week this can equal a loss of **an hour and a half** of learning.

Start and end of day

Please can you take care when arriving and collecting from school. At this time of the year the roads are busier and there are a lot of roadworks in and around Peterborough. Please be considerate of where you are parking and ensure when you have collected your child they leave the premises with you.

Parent Pay

If you haven't already activated your ParentPay account please can you do this. If you need an activation code please contact the Office.

Online Safety

Please be vigilant when your child is online (iPad, Xbox, Playstation, phone etc) as to what games they are playing, what they're watching and accessing. For further advice please see: www.nationalonlinesafety.com

Christmas Dinner

Please make sure you have booked your child's Christmas dinner by Friday 26th December. If you haven't booked it by this date, you will need to provide a packed lunch.

Pudsey

A huge thank you to everyone who donated to Children in Need. We've currently raised an impressive £422.52 and all the children looked amazing in their spotty, sparkly, yellow, Pudsey themed non uniform.

Stars Pre School

Previously known as Woodston Nursery, Stars Pre School Woodston was re-registered in 2017 and strives to establish a caring environment that fosters children's learning and play, building foundations for a solid and secure future.

We achieve this through inspirational practice and creative experiences that encourage our children to strive for excellence and reach their full potential.

At Stars Pre School Woodston, 54 children aged between two and five learn in a stimulating environment – both inside and outside – where they are challenged and encouraged, and where a love of learning is fostered through play.

We believe that building a strong partnership with parents is crucial for each child's development. Through close communication, parent consultations, regular stay and play and educationally-focussed sessions, sports days and much more, we strive to work together with you to give your child the best possible start to education.

Children are valued and respected as unique individuals and learn through the provision of inclusive, nurturing indoor and outdoor environments. Each child is assigned a specific 'key' member of staff who works closely with them to foster their development.

We promote positive attitudes to diversity and teach children to value different aspects of their own and other people's lives.

Our passionate and dedicated team of staff works hard to ensure that every child in our care is able to reach their full potential. [Speak to us](#) today to find out more or book a tour of our Woodston nursery.

Have a lovely weekend – the Woodston Team.
