

Dear Parents/Carers

From January, Cambridgeshire County Council, Education Welfare Benefits Service will be the new free school meal (FSM) entitlement provider for our school.

To help with this, we would be grateful if you could complete a FSM application form online. This will allow them to gather the necessary information they need to carry out the checks and provide us with the most up to date information regarding your entitlement.

The reply is instant – if you get a '**False**' response then you are **not entitled** at this time. If you get a '**True**' then we will receive notification that **you are entitled** and we will be in touch with you.

Making an application is quick and simple to do using the online application form at www.cambridgeshire.gov.uk/freeschoolmeals selecting '**NO**' when asked if you have had a previous claim. If you do not select '**NO**' then the form will not let you go any further.

If you do not have internet access you can give the Team a call on 01223 703200, and they can send you a form to complete by post. Paper forms should be returned to;
