

Dear Parents/Carers

We all know that Monday and Tuesday next week will be very warm. Our Director of Education was in a meeting today at 12 noon with other Government Officials. We are awaiting on his advice on what action, if any, to take. At the very least we will only allow the children outside for a maximum of 15 minutes at a time and there won't be any physical exertion.

Please ensure your child brings to school their sun hat and sun cream. We will ensure there's plenty of water for your child and children will be encouraged to drink. They should wear their PE kit – plain white t shirt and shorts so that they remain as cool inside as possible.
